It is invaluable for Diseases peculiar to women, and all who lead sedentary lives. It does not injure the teeth, cause headache or produce constipation—other Iron medicines do. It enriches the blood, stimulates the appetite, aids the assimilation of food, regulates the bowels, and imparts strength to the muscles and nerves.

For Intermittent Fevers, Lassitude, Lack of Energy, Nervousness, Rheumatism, Kidney and Liver Complaints, it has no equal.

Be sure you get the genuine. Has crossed red lines on wrapper. Take no other. Made only by BROWN CHEMICAL CO., BALTIMORE, MD.

CONSTIPATION!

There is no medium through which disease so often attacks the system as by Constipation, and there is no other ill that leads to more and to be neglected, from the fact that material accumulations may not be immediately felt from irregular action of the bowels. When there is not regular action the retention of decayed and refuse matter, with its poisonous gases, pass poisons the whole system by being absorbed into it, causing pains, debility, headache, impure blood, and many other serious affections. BURDOCK BLOOD BITTERS will immediately relieve, and one bottle positively cure or relieve any case of Constipation.

"Was troubled for a year with torpid liver and indigestion, and after trying everything imaginable used BURDOCK BLOOD BITTERS. The first bottle relieved me and the second cured me entirely."—J. S. Williamson, Rochester, N. Y.

Health is Wealth!

Dr. R. V. Pierce's Pleasant Purgative Pellets, or Little Liver Pills, regulate, purify, cleanse and invigorate the entire human system. Sick headache, biliousness, dizziness, torpidity of the liver, constipation and piles, are prevented and cured by these little sugar-coated Pellets. One a dose.
